

Fiscal Year 2010 Requests

U.S. Representative Ed Whitfield (KY-01)

Defense Request

- Enabling Optimization of Reactive Armor; Ensign-Bickford Aerospace and Dynamics
Graham, KY

\$3,000,000

These funds will be used to develop a replacement for current reactive armor used by the Army which will be reduced in weight, meet new threats and increase the overall safety of the armor.

- Infectious and Airborne Pathogen Reduction; Luvata Franklin
Franklin, KY

\$2,800,000

These funds will be used to evaluate improvements to infections through use of antimicrobial copper in medical units and HVAC systems in military units – tanks, Veterans hospitals and barracks.

Requests for Fort Campbell

- Physical Fitness Center

Fort Campbell, KY

\$14,400,000

These funds will be used to construct an Army Standard Physical Fitness Center to serve soldiers and family members at Fort Campbell.

- Installation Chapel and Multi-purpose Facility

Fort Campbell, KY

\$14,000,000

These funds will be used to construct a 1,200-seat chapel/family life multi-purpose facility to serve the soldiers and family members at Fort Campbell.
